

**A RESOLUTION
OF
the HENDERSONVILLE UTILITY DISTRICT
of Sumner County, Tennessee**

**A RESOLUTION ADOPTING REVISED WATER AND/OR WASTEWATER RATES
AND CHARGES**

WHEREAS, The Hendersonville Utility District of Sumner County, Tennessee (the “District”) is organized and operating pursuant to the Utility District Law of 1937, Tenn. Code Ann. § 7-82-101 et seq.; and

WHEREAS, the Utility is responsible for providing safe, reliable, and financially sustainable water and/or wastewater services to its customers; and

WHEREAS, the Board of Commissioners has reviewed the Utility’s operational costs, capital improvement needs, debt service obligations, maintenance requirements, regulatory compliance obligations, and long-term financial sustainability; and

WHEREAS, the Board of Commissioners has determined that revisions to the Utility’s rates, fees, and charges are necessary to ensure the continued operation, maintenance, and improvement of the Utility system; and

WHEREAS, the proposed rate adjustments are intended to provide sufficient revenue to support the Utility’s current and future operational and capital needs while maintaining fairness and equity among customer classes.

NOW, THEREFORE, BE IT RESOLVED, By the Board of Commissioners of the Hendersonville Utility District of Sumner County, Tennessee, that:

SECTION 1. ADOPTION OF REVISED RATES

Effective beginning with bills rendered on or after **July 1, 2026**, the following rates and charges for water and/or wastewater service are hereby adopted and shall supersede all previous rate schedules inconsistent with this Resolution.

Water Rates

0 to 2,000 gallons	\$11.50 (minimum bill)
Over 2,000 gallons:	\$4.90 per 1,000 gallons

Wastewater Rates

Water Billed

Sewer Rates

0 to 2,000 gallons	\$14.00 (minimum bill)
Over 2,000 gallons:	\$6.15 per 1,000 gallons

Hendersonville Utility District sewer service rates for customers served by other water district providers will be as follows:

Water Billed

Sewer Rates

0 to 2,000 gallons	\$16.75 (minimum bill)
Over 2,000 gallons:	\$7.45 per 1,000 gallons

SECTION 2. PURPOSE OF RATE ADJUSTMENT

The Board finds that the rate adjustments adopted herein are reasonable and necessary to:

1. Maintain adequate revenue for the operation and maintenance of the Utility system;
2. Support ongoing and future capital improvement projects;
3. Maintain compliance with all applicable federal, state, and local regulatory requirements;
4. Preserve the financial integrity and long-term sustainability of the Utility;
5. Ensure continued delivery of safe and reliable utility services to all customers.

SECTION 3. AUTHORITY TO IMPLEMENT

The General Manager and/or designated employees of the Utility are hereby authorized and directed to implement the rates, fees, and charges established by this Resolution and to take all actions necessary for administration and enforcement.

SECTION 4. SEVERABILITY

If any section, provision, or portion of this Resolution is determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity of the remaining portions of this Resolution.

SECTION 5. REPEAL OF CONFLICTING RESOLUTIONS

All prior resolutions or portions thereof in conflict with the provisions of this Resolution are hereby repealed to the extent of such conflict.

This is to certify that this is a true and exact copy of the “Resolution adopting revised water and/or wastewater rates and charges” as passed by the Board of Commissioners on June 17, 2026.
